Welcome to Caleb's! Throughout the years, I have taken many road trips with my son, Caleb, as my navigator. One of our favorite things to do is to find great little restaurants along the way to our destination. Many times, our route is designed specifically around restaurants that Caleb wants to try. Welcoming environments, great food, silly décor and the many people we have met along the way have left us with lasting memories! It is our hope that Caleb's becomes a place for you to stop in, enjoy great food and create lasting memories with your friends and loved ones. Thank you for allowing us to be part of your day! - Rebecca and Caleb

Ps. 121:1-2
